

## Chelmsford Methodist Circuit Eco Representative Job Description

The Methodist Church in Great Britain has set an aspirational target of becoming a net zero carbon emissions Church by 2030. The Chelmsford Methodist Circuit has registered its intent to work towards the ECO Circuit Award from A Rocha.

The ECO Circuit Award Scheme is a helpful framework for making progress in the Circuit Eco journey and it would be the role of the Circuit ECO Rep to maintain the objectives of the award across the Circuit.

The role of Circuit ECO Rep will primarily be one of **communicator and encourager**, working with individual Church ECO Champions to ensure that the principles of creation care are embedded throughout the Circuit

The main tasks will include:

- Be the main point of contact for Circuit, District and Connexional initiatives.
- Encourage the implementation of the Circuit ECO policy and provide input to the Circuit Mission Statement.
- Ensure that creation care is a standing item on the Circuit Leadership Team and Circuit Meeting agenda.
- Encourage the sharing of good practice through the Circuit website, newsletter and social media.
- Become familiar with the aims and objectives and work towards the A Rocha ECO Circuit Award.
